MEMORANDUM FOR THE RECORD

SUBJECT: Cornerstone Ceremony

1. At the meeting with the Director in his office on Sunday morning, 8 March, it was agreed that the laying of the cornerstone would be scheduled for some Saturday in October, preferably the 17th.
2. I asked the Director whether he wanted to make any approach to the White House in this connection at this time and he said he thought it was much too early. He asked us to remind him of this early in June.
